Version Information	
Model	KX-TGP500B04
Operating BANK	Bank1
IPL Version	01.02
Firmware Version	Bank1: 12.58 Bank2: 12.17

- Next select the “Provisioning Maintenance” tab.

The screenshot shows the Panasonic KX-TGP500B04 Web Admin GUI. The top navigation bar includes tabs for Status, Network, System, VoIP, Telephone, and Maintenance. The Maintenance tab is selected. On the left, a sidebar lists Maintenance options: Firmware Maintenance (selected), Local Firmware Update, Provisioning Maintenance, Management Server, Reset to Defaults, and Restart. The main content area is titled "Firmware Maintenance" and contains the following fields:

Firmware Maintenance	
Enable Firmware Update	<input checked="" type="radio"/> Yes <input type="radio"/> No
Update Type	<input checked="" type="radio"/> Automatic <input type="radio"/> Manual
Firmware File URL	<input type="text" value="tftp://10.10.0.1/panasonic/2/TGP500.fw"/>

At the bottom of the main content area are "Save" and "Cancel" buttons.

- You can now specify the provisioning server information. In our example we are using `tftp://10.10.0.1/Config{MAC}.cfg`

The screenshot shows the Panasonic KX-TGP500B04 Web Admin GUI with the Provisioning Maintenance tab selected. The left sidebar is the same as in the previous screenshot. The main content area is titled "Provisioning Maintenance" and contains the following fields:

Provisioning Maintenance	
Enable Provisioning	<input checked="" type="radio"/> Yes <input type="radio"/> No
Standard File URL	<input type="text" value="tftp://10.10.0.1/Config{MAC}.cfg"/>
Product File URL	<input type="text"/>
Master File URL	<input type="text"/>
Cyclic Auto Resync	<input type="radio"/> Yes <input checked="" type="radio"/> No
Resync Interval	<input type="text" value="10080"/> minute(s) [1-40320]
Header Value for Resync Event	<input type="text" value="check-sync"/>

At the bottom of the main content area are "Save" and "Cancel" buttons.

How To Factory Default

Quick Steps

- First log into the Web Admin GUI of the phone.

The screenshot shows an "Authentication Required" dialog box. It features a question mark icon and the following text:

A username and password are being requested by `http://10.10.0.225`. The site says: "Authorization"

Below the text are two input fields:

User Name:

Password:

At the bottom right are "Cancel" and "OK" buttons.

2. Next select the “Maintenance” Tab at the top right.
